AOP GRIGNAN-LES-ADHÉMAR

LOCATION AND TERROIR

The Escalin Vineyard, located in the heart of the Drôme Provençale, cultivates two distinct terroirs: the Vergobbi plateau, composed of large rolled pebbles on clay soils, and Escalin, characterized by limestone fragments on sandy-clay loams. These unique terroirs are meticulously blended to create wines that combine complexity and consistency.

VINIFICATION

The grapes, 100% destemmed, ferment naturally with indigenous yeasts, followed by a short maceration in concrete tanks, allowing this wine to express all the purity and freshness of its terroir.
